* Once upon a time
* a little baby girl
* asked her big brother
* to get down some
* cotton balls and tooth
* picks. He said yes. Then
* she built the cotton
* man. The mom said, "do
* you want to go take
* a walk?" They said yes. The

* baby took the cotton

* man with her. The cotton

* man fell off the stroller

* The cotton man was running

* away from the stroller. The

* cotton man found some

* horse hay outside and

* he made a bed room and

* a house out of horse

* hay. He took nap in his bed

* and woke up. After he
* woke up he saw three
* mice nibbling at his
* stinky cotton feet. He
* was stinky because he
* fell into stinky mushy
* gooey disgusting mud. After
* he said how much stinky
* his feet were the three
* mice ran away and they

* lived happily ever after

* except for the cotton

* man. The End.
